Control Panel > My Workspace > Schedulers

About Schedulers:

The Scheduler is a convenient tool for keeping track and managing reservation requests for conference rooms, training areas, or other common areas. The Scheduler manager contains six tabs:

1. **Dashboard:** By default, the first screen you will see is the Dashboard. This will show the following grids:
 - **Upcoming Events:** Displays a list of upcoming events (displays the next three months).
 - **Pending Approval Requests:** Displays a list of requests that are pending approval / denial.
 - **Pending Approval Recurrence:** Displays a list of requests for recurring events that are pending approval / denial.
