

Viewing Attachments

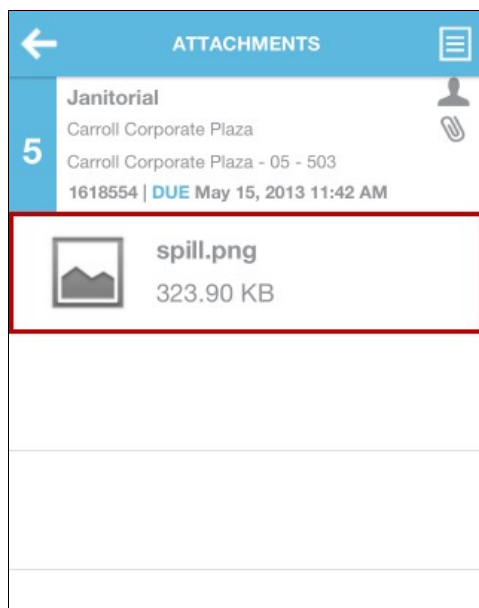

Viewing Attachments:

Some TR and PM work orders may contain attachments, such as pictures, text documents or PDF files. These attachments can be viewed from within the application.

1. Locate and open the TR or PM work order you would like to view messages for.
2. After opening the work order, press the **Options** button () , then select **Attachments**.

3. The Attachments list is displayed. Select an attachment from the list to view it.
