Viewing Attachments:

Some TR and PM work orders may contain attachments, such as pictures, text documents or PDF files. These attachments can be viewed from within the application.

- 1. Locate and open the TR or PM work order you would like to view messages for.
- 2. After opening the work order, press the **Options** button (), then select **Attachments**.

3. The Attachments list is displayed. Select an attachment from the list to view it.
