

Register Me

[Control Panel](#) > [Content Manager](#) > [Register Me](#)

About:

The *Register Me* section of the Control Panel allows you to change settings associated with New User Registration including:

1. Changing the Message on the Registration section of the Login page
2. Enabling/ Disabling the Register Me button
3. Enabling/ Disabling need for Registration Approval

Edit Registration Message:

1. Click [Control Panel](#) > [Content Manager](#) > [Register Me](#)
2. Enter/ change the Registration Message in the content box of the RadEditor.
3. Set the **Show Register Me Button** setting to Yes or No
4. Set the **Require Registration Approval** setting to Yes or No
5. Click **Save**.

Note:

- To approve or deny new users requesting access to your portal, refer to [User Registration](#) from the Setup section of the handbook.
