

# User Registration

## About User Registration:

The User Registration system gives Property Managers full control over new users requesting portal access.

Registration approvals await Property or Tenant Managers (with User Registration rights) after pending users have filled out the [Register Me](#) form from the Log-In page of your Building's portal.

The screenshot shows a web page for "One CORPORATE TOWER". The header includes a logo and navigation links: HOME | CONTACT | AREA INFO | PROPE. The main content area has the heading "Register in your portal to get access to:" followed by a bulleted list: Building News, Document Forms, and Promotional Coupons and much more!. Below this is the text "Please contact Management office to register your account!" and a prominent "Register Me" button with a red border. The footer contains the address "400 SOUTH HOPE STREET | LOS ANGELES, CA 90071 | T 21".
