

Tenant COI

About Tenant COI:

[Control Panel](#) > [Work Order](#) > [COI](#) > [Tenants](#)

Tenant COIs provides an intuitive interface for managing tenants' Certificates of Insurance with policy, expiry and compliance information at your fingertips. Using Tenant COIs allows policies to be accessible by all properties and can be overridden should the property or tenant introduce special circumstances.

Tenant	Certificate Name	Property	Expiry Date	
AXIS Portal	General Liability	One Corporate Tower	Jan 01, 2011	⚠
Adobe	Comprehensive Liability	One Corporate Tower	Jun 23, 2009	⚠ 1
Adobe	Comprehensive Liability	One Corporate Tower	Apr 13, 2012	✓

The Tenant Certificates of Insurance list can be searched by entering a tenant's name in the Tenant box (enter at least 3 characters to search for possible matches), or filtered by:

- Active/Inactive
- Current and/or Expired
- Compliance
