

Upload Contact Portraits

To upload portraits for users listed in the Contact Section of your Portal, refer back to the **Control Panel --> Setup --> User Groups/ Tenants --> Non-Tenant User Groups (staff) --> Create Non-Tenant User** section of the AXIS Portal help handbook, or follow the proceeding steps.

1. Click on [Control Panel > Setup > User Groups](#)

2. Locate and click on the **Non-Tenant User Group** (from the left pane) that the contact you wish to add a portrait to falls under.

3. Locate the Non-Tenant User from the list, and click **Edit**.

A screenshot of the 'User Groups Setup' page. The page title is 'User Groups Setup' and it includes links for 'Notify | Create | Disassociate from Group | Delete'. Below the title, it says '2 Users'. There is a table with columns: Last Name, First Name, Email, User Group, Last Modified By, Last Modified Date, and Action. The first row is highlighted and has an 'Edit' button highlighted with a red box.

<input type="checkbox"/>	Last Name	First Name	Email	User Group	Last Modified By	Last Modified Date	Action
<input type="checkbox"/>	Caster	Daisy	rem@axisportal.com	Document Library Administrator, Property Manager, ...	Daisy Caster	12/8/2010 11:21:10 AM	Edit
<input type="checkbox"/>	Low	Cynthia	adam.miedema@	Brokers, Property Manager	Axis	11/15/2010 4:28:56 PM	Edit

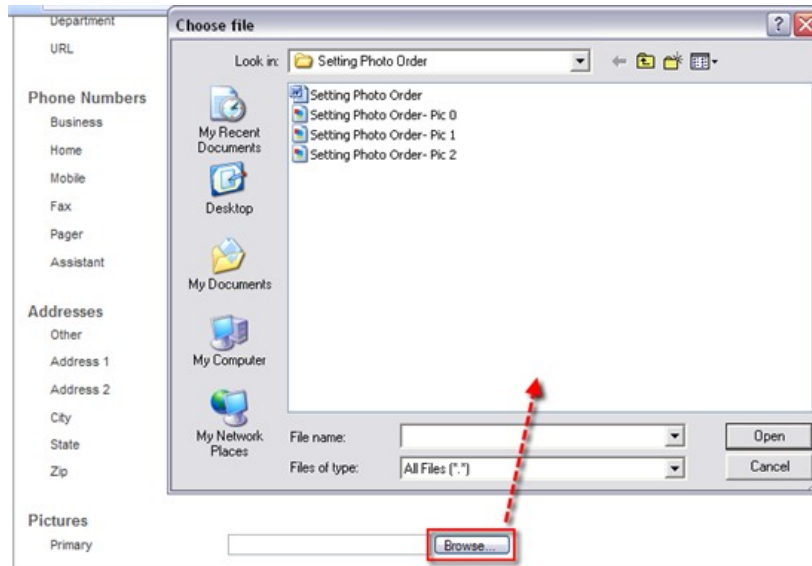

4. Click on the **Additional Information** tab.

Personal Information

Title	<input type="text"/>
License #	<input type="text"/>
Brokerage Name	<input type="text"/>
Broker License #	<input type="text"/>

5. Scroll to the bottom of the page. Click **Browse** under the Pictures section.
6. Locate the portrait image of the user from your local hard drive or network using the pop-up window.

7. Click **Save** or **Save and Notify** to send out an email notification that the user's account has been edited.
