Add a Tenant COI

1. Click Control Panel > Work Order > COI > Tenants

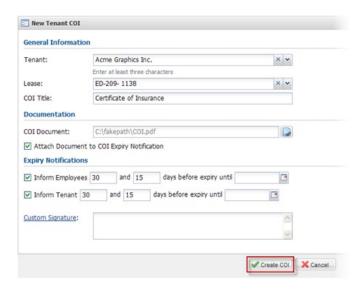

2. The Certificates of Insurance page is displayed. Click New COI.

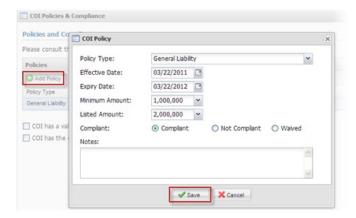

- 3. The new Tenant COI page is displayed.
- 4. Select a Tenant. You can search for the tenant by entering at least three characters of the Tenant's name and selecting from a list of possible matches provided.
- 5. Choose the applicable lease from the drop-down list.
- 6. Enter a COI title.
- 7. Add a COI document to upload by clicking the browse button () and selecting the file on your computer in the browse interface.
- If you do not want this document to be attached to expiry notifications, remove the checkmark beside
 Attach Document to COI Expiry Notification.
- In the Expiry Notifications section, place or remove checkmarks beside Inform Employees and Inform
 Tenant as applicable.
 - For each of the above options, you can select two dates prior to expiry to send notifications; the
 default settings a 30 and 15 days. If you do not want a second set of expiry notifications to be sent,
 leave the second box empty.
 - In the ...days before expiry until section, click the calendar icon () and use the menu provided to
 enter a hard date after which expiry notifications will no longer be sent; you can leave this section
 empty if you do not want to stop sending automatic notifications.
- If you would like to add a custom signature, you can enter one in the Customer Signature text box provided.

11. Click Create COI to create the COI.

- 12. The COI Policies & Compliance section is displayed.
- 13. To add a policy, click **Add Policy** and fill in the following information:
 - Policy Type
 - Effective Date
 - Expiry Date (default is 1 year after Effective date, this can be overridden)
 - Minimum Amount (the minimum amount required for the policy to be compliant. You can select an
 amount from the dropdown or type in a specific amount.)
 - Listed Amount (the actual amount provided by the policy. You can select an amount from the dropdown or type in a specific amount.)
 - Select one of the following compliancy options:
 - Compliant
 - Not Compliant
 - Waived (use this option to manually override non-compliancy. This should only be used in special circumstances where compliancy has been intentionally exempted by your company.)
 - Notes
- 14. Click Save when you are finished.

15. You can continue adding policies as described above; you can also edit or delete policies you have added

by selecting the Policy and clicking **Edit** or **Delete**, as applicable.

- 16. Place a checkmark beside **COI has a valid signature** to indicate the signature is valid.
- 17. Place a checkmark beside **COI** has the correct **Additional Insured** if this is correct. You can click on the underlined **Additional Insured** text to see if this is true.

18. When you are done click **Finish**, located at the bottom of the page. You will be taken to the COI Details page. For more information see **Editing COI Information**.
