

Messaging RSVP Respondents

[Control Panel](#) > [My Workspace](#) > [Calendars](#)

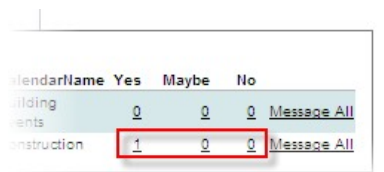

Messaging RSVP Respondents:

1. Go to **Control Panel > My Workspace > Calendars**.
2. Click on the **RSVP Dashboard** tab.
3. To message all event respondents, locate the desired upcoming event and click on **Message All**.

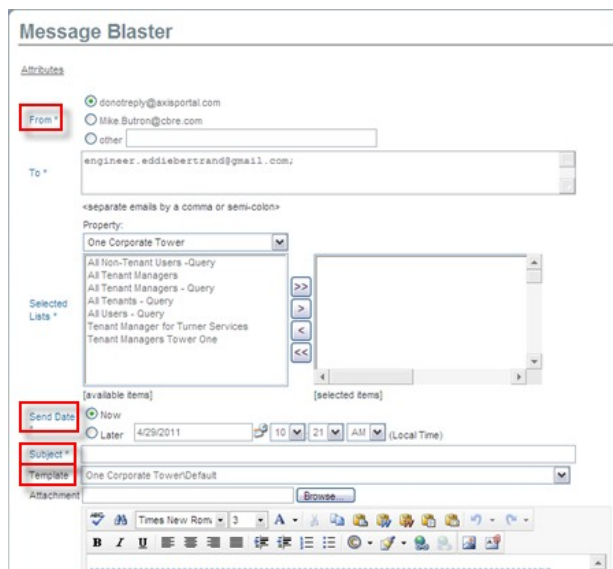

Title	Date/Time	CalendarName	Yes	Maybe	No	
Staff Appreciation	4/29/2011 12:00:00 PM	Building Events	0	0	0	Message All
Tenant Appreciation	4/29/2011 4:00:00 PM	Construction	1	0	0	Message All

4. To message select (**Yes**, **Maybe**, or **No**) RSVP respondents, click on the response number associated with a specific event.

CalendarName	Yes	Maybe	No	
Building Events	0	0	0	Message All
Construction	1	0	0	Message All

5. You will then be redirected to the **Message Blaster** with all associated information pre-filled out. Fill out all other required information:
 - a. Select a **From** email address, **Send Date**, **Subject**, and **Template**.
 - b. Enter your desired **Message** into the text box. A default event information dialogue box with an “add event to my Outlook calendar” link is automatically inserted.
6. Click on **Preview** to ensure message is to your liking and then click on **Send**.
