

# Removing a Group

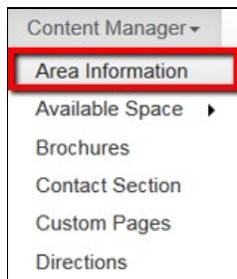

[Content Manager](#) > [Area Information](#) > [Groups Tab](#)

## Removing a Group:

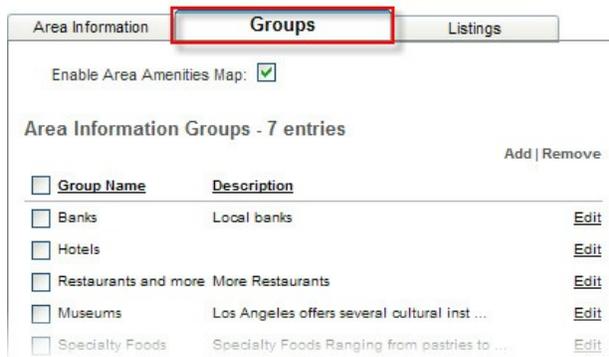

### Note:

- A group can only be removed if there are no active listings associated to the group. First, remove all listings associated to the group; then, proceed to remove the group. See [Listings](#) for more information.

1. Go to **Content Manager** > **Area Information**.

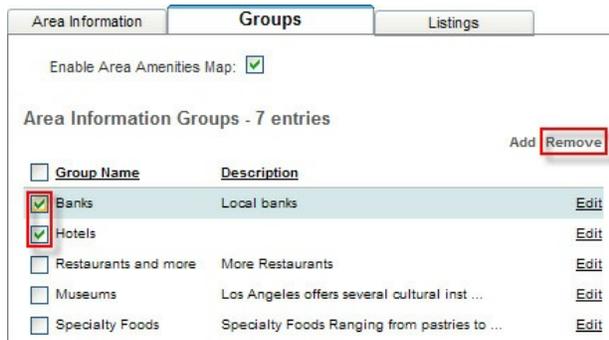

2. Click on the **Groups** tab.

3. To remove an active group, make sure the desired group(s) are selected with a check mark.

4. Click on **Remove**. After a successful confirmation, the group(s) will no longer be on the list.
