

## Adding a Group

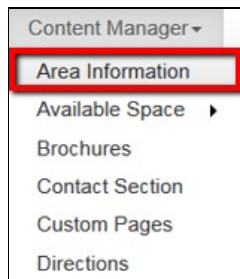

[Content Manager](#) > [Area Information](#) > [Groups Tab](#)

### Adding a Group:

#### **Note:**

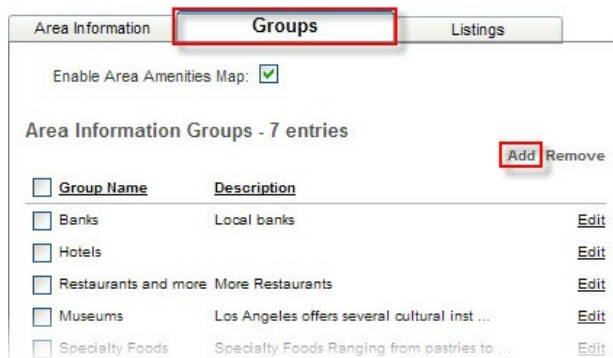

- It is necessary to first create **Groups** (i.e. Restaurants, Hotels, Transportation, Shopping, etc.) before listings can be added.

1. Go to **Content Manager** > **Area Information**.

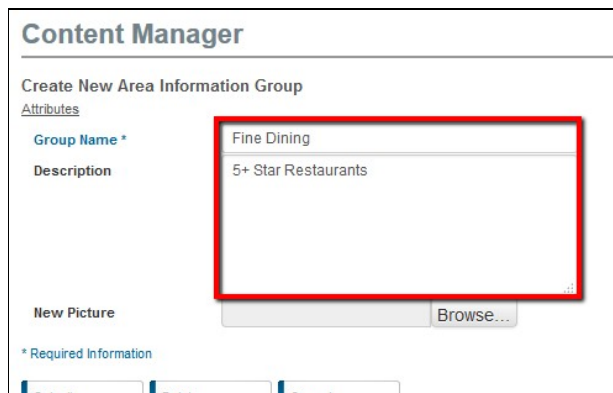

2. Click on the **Groups** tab.

3. To create a new group, click on **Add**.

4. Fill out the required information.

A screenshot of the 'Create New Area Information Group' form. The form has a title 'Create New Area Information Group' and a sub-header 'Attributes'. It contains two main input fields: 'Group Name \*' and 'Description'. The 'Group Name' field contains the text 'Fine Dining' and the 'Description' field contains '5+ Star Restaurants'. Both fields are highlighted with a red rectangular box. Below these fields is a 'New Picture' section with a 'Browse...' button. At the bottom, there is a legend for '\* Required Information' and three buttons: 'Submit', 'Delete', and 'Cancel'.
