

Adding a Group

[Content Manager](#) > [Area Information](#) > [Groups Tab](#)

Adding a Group:

Note:

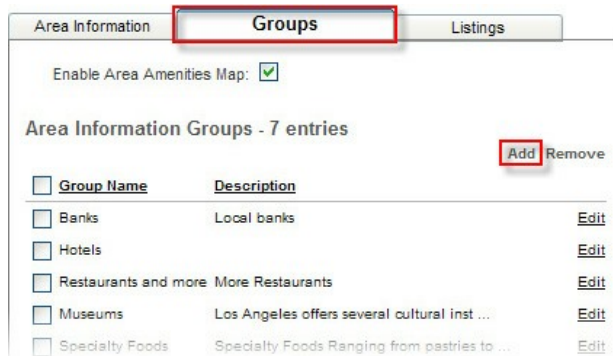

- It is necessary to first create **Groups** (i.e. Restaurants, Hotels, Transportation, Shopping, etc.) before listings can be added.

1. Go to **Content Manager** > **Area Information**.

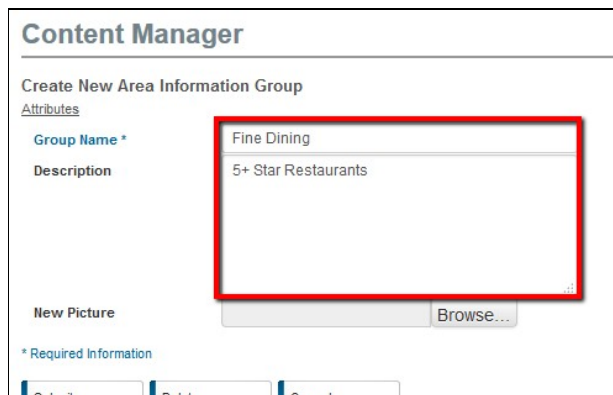

2. Click on the **Groups** tab.

3. To create a new group, click on **Add**.

4. Fill out the required information.

A screenshot of the 'Create New Area Information Group' form in the Content Manager interface. The form is titled 'Create New Area Information Group' and has a section for 'Attributes'. The 'Group Name' field is filled with 'Fine Dining' and the 'Description' field is filled with '5+ Star Restaurants'. Both fields are highlighted with a red rectangular box. Below the form, there is a 'New Picture' section with a 'Browse...' button. At the bottom, there are 'Submit', 'Delete', and 'Cancel' buttons.

5. Once finished, click on the **Submit** button. A confirmation will appear on the next screen and the newly created group will appear on the list of **Area Information Groups**.
