

Deleting a Forwarding Rule

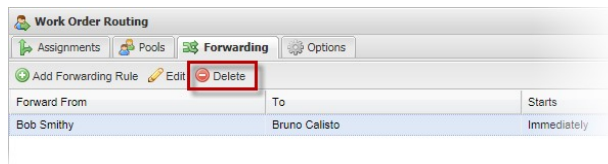

[Control Panel](#) > [Setup](#) > [Work Order Routing](#) > [Forwarding Tab](#)

Deleting a Forwarding Rule:

1. Go to **Control Panel** > **Setup** > **Work Order Routing**.

2. Under the **Forwarding** tab, select the rule you would like to remove, then click on **Delete**. A confirmation window will open.

3. Click on **Yes** to delete the rule.
