

Attaching availabilities to an Interactive Stacking Plan

Attaching Availabilities:

1. Hover over Content Manager
2. Hover over Available Space
3. Click on Available Space

4. For each available floor and/or suite perform the following:
 - 1) Click Edit
 - 2) Click on the "Interactive Stacking Plan Floor" dropdown
 - 3) Select the correct floor

- 4) Click Submit
5. Now you'll be able to view availabilities on your property's website
