The Property Information section of your AXIS Portal displays general information available to both current and prospective tenants such as: *Property Profile, Property Amenities, Parking Programs, Fitness Rooms, Security Rooms, Emergency Communication, etc.*

Follow these steps to create/ edit/ remove different Property Information sections.

PROPERTY PROFILE

ONE CORPORATE TOWER is situated on the Southeast corner of Hope and 4th Streets, in the city's most attractive business, restaurant and cultural center known as "Bunker Hill" and is within walking distance of the traditional Financial Core to the south and the Civic Center to the north. An architecturally distinct and contemporary office tower, One Corporate Tower features lushly landscaped areas, reflecting pools and a dramatic atrium lobby. State-of-the-art building systems, large, efficient floor plans and on-site, subterranean parking further reflect the building's quality. One Corporate Tower serves as the world or regional headquarters of such prestigious firms as CB Richard Ellis and Tech Star, Inc.
