

History Tab

About the History Tab:

This tab displays a record of important actions related to the COI. The history tab logs the following activities:

- Created
- Document uploaded
- Renewed
- Activated
- Deactivated
- Expired

The screenshot shows a web interface with a navigation bar at the top containing 'Policies & Compliance', 'Messages', and 'History' (which is selected). To the right of the navigation bar are 'Renew' and 'Deactivate' buttons. Below the navigation bar is a table with the following data:
