

# Deleting Non-Tenant User Subscriptions

[Control Panel](#) > [Setup](#) > [User Search](#) > [Edit a User's Profile](#) > [Subscriptions Tab](#)

## Deleting Non-Tenant User Subscriptions:

To delete Non-Tenant user subscriptions, they must first be enabled. See [Enabling Non-Tenant User Subscriptions](#) for more information.

All Non-Tenants can delete their own subscriptions or subscriptions for other Non-Tenants through **Control Panel** by editing the **Subscriptions** tab in the user's profile.

1. Go to **Control Panel** > **Setup** > **User Search**.

2. Enter the desired user's information and click on **Search**.

3. Click on **Edit** for the desired user you'd like to add a subscription(s) for.

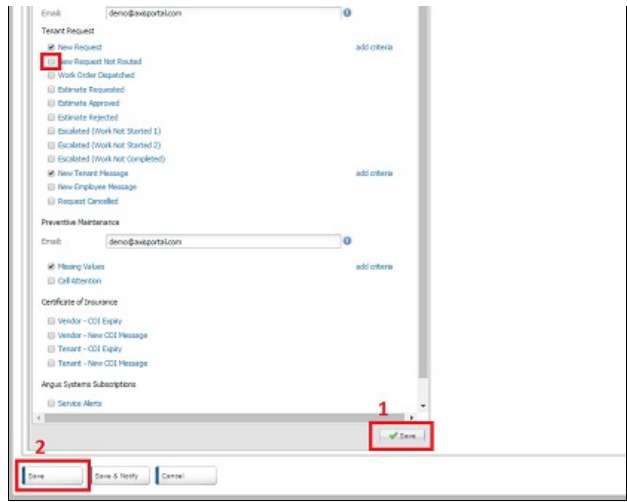

4. Click on the **Subscriptions** tab.

5. From the **Subscription List**, remove the check mark from subscription types that are selected. In order to disable all subscription notifications, click on **Disable Subscriptions**.

6. Click on both **Save** buttons.
