

Property Directory

[Control Panel](#) > [Content Manager](#) > [Contact Section](#)

About:

The Property Directory is a convenient feature that allows visitors to search for Tenant Users (Individual Employee Occupants) and Non-Tenant Users (Staff and Management) who have previously been opted into being added to a directory search engine.

The Property Directory pop-up window and search results look as follows:

Property Directory

First Name:

Last Name:

Tenant:

12 user(s) have been found.

Photo	Last Name	First Name	Title	Company	Floor/Suite	Phone	Email
	Bertrand	Eddie	Chief Engineer				engineer.eddiebertrand@gmail.com
	Butron	Mike	AXIS Manager	AXIS Portal	Tower One-01/101	949.809.3605	mike.butron@axisportal.com
