

Reorder Contact Sections

[Control Panel](#) > [Content Manager](#) > [Contact Section](#)

1. Click on **Contact Section** from the Content Manager drop-down menu.
2. At the bottom of the page you will see a box that lists the Contact Sections in sequential order.

3. The order that these sections are listed correlates with the order that they are displayed on your Portal.

4. **Select** the Contact Section that you wish to move.
5. Click  or  to reorder the sections according to importance or to your preferences.
6. Click **Save**.
