

Deleting Albums

[Control Panel](#) > [Content Manager](#) > [Photo Gallery](#)

1. Select the album you wish to remove with a green check mark.

<input type="checkbox"/>	Title
<input checked="" type="checkbox"/>	Practice Album
<input type="checkbox"/>	V-DAY Sweepstakes
<input type="checkbox"/>	Property Pictures
<input type="checkbox"/>	My Building
<input type="checkbox"/>	Tenant Events

2. Click **Remove** on the top right.

Attributes	Albums	
Albums		
		Add Remove
<input type="checkbox"/>	Title	
<input checked="" type="checkbox"/>	V-DAY Sweepstakes	Edit
<input type="checkbox"/>	Property Pictures	Edit
<input type="checkbox"/>	My Building	Edit
<input type="checkbox"/>	Tenant Events	Edit

3. A notification will pop-up confirming that the album was successfully deleted.
