

# Deleting Albums

[Control Panel](#) > [Content Manager](#) > [Photo Gallery](#)

1. Select the album you wish to remove with a green check mark.

<input type="checkbox"/> Title
<input checked="" type="checkbox"/> Practice Album
<input type="checkbox"/> V-DAY Sweepstakes
<input type="checkbox"/> Property Pictures
<input type="checkbox"/> My Building
<input type="checkbox"/> Tenant Events

2. Click **Remove** on the top right.

Attributes	Albums	
<b>Albums</b>		Add <b>Remove</b>
<input type="checkbox"/> Title		
<input checked="" type="checkbox"/> V-DAY Sweepstakes		<a href="#">Edit</a>
<input type="checkbox"/> Property Pictures		<a href="#">Edit</a>
<input type="checkbox"/> My Building		<a href="#">Edit</a>
<input type="checkbox"/> Tenant Events		<a href="#">Edit</a>

3. A notification will pop-up confirming that the album was successfully deleted.
