

Logging In To Mobile Lite

1. You can log in to Mobile Lite by going to the following URL in your mobile device's web browser:
<http://m.angusanywhere.com/lite>
2. At the login screen, enter the same username and password which you would normally use to access your AXIS Portal.
3. Select **Remember Me** if you would like your username and password to be saved.
4. Select **Login** when you are done entering your login information.

The screenshot shows a mobile application interface for logging into Angus Mobile. At the top, the status bar displays "Login to Angus Mobile" and various icons including signal strength, battery, and time (1:45). Below the status bar, the title "Login to Angus Mobile™" is prominently displayed. The main content area contains a "Username:" label followed by a text input field, a "Password:" label followed by a text input field, a "Remember Me" checkbox, and a "Login" button. At the bottom of the screen, there is a footer with the text "Angus Mobile © 2011 Angus Systems Group. All rights reserved. Angus Mobile™ is a trademark of Angus Systems Group." and a navigation bar with icons for home, back, forward, and search.
