

General Compliance

About General Compliance:

This section of the Policies & Compliance tab is used to indicate if the **COI has a valid signature** and if the **COI has the correct Additional Insured**. By clicking on the links provided, you can also view the currently listed Additional Insured and view a copy of your company's official policy requirements if available.

1. Click the [\(Edit\)](#) link to modify the General Compliance section. Place or remove checkmarks beside **COI has a valid signature** and **COI has the correct Additional Insured** to indicate compliance or non-compliance, respectively.
2. Click **Save** to save your changes.
