

No Billable Service

1. If no services need to be recorded, click **No Billable Services**.

The screenshot shows a web interface for managing services. At the top, there is a header bar with the title 'Services'. Below the header, there are several action buttons: 'Add Service' (with a green plus icon), 'No Billable Services' (with a red minus icon and highlighted by a red box), 'Edit' (with a pencil icon), and 'Delete' (with a red trash icon). On the right side of the header, there is a 'Lease' dropdown menu currently set to '<none>' with a green checkmark. Below the header is a table with the following columns: 'Service', 'Billable', 'External', 'Quantity', and 'Total'. The table is currently empty, displaying the text 'No Service records'.

Service	Billable	External	Quantity	Total
No Service records
