

Setting Album Cover

[Control Panel](#) > [Content Manager](#) > [Photo Gallery](#) > [Albums](#)

1. Click **Edit** next to the album in which you wish to change the album cover.
2. From the photo thumbnails, make sure there is a green check mark next to the photo you wish to make the album cover (First photo).
3. Ensure all information is correct on the rest of page.
4. Click **Update**.

The screenshot shows a web interface for editing an album. At the top is a photo of a modern skyscraper. Below the photo, the text 'Album Cover:' is followed by a checked checkbox. Underneath, the text 'Title *:' is followed by a text input field containing 'One Corporate Tower'. Below the title field is a larger text area labeled 'Description:'. At the bottom of the form are two buttons: 'Update' and 'Remove'. Red boxes highlight the checkbox and the 'Update' button.
